

Welcome to Trinity!

We give a warm welcome to regulars and visitors alike. If you are new among us do make yourself known to us and ask for a copy of our Welcome Pack.

This morning's service will last around an hour and a quarter. We worship together with our children and young people for the first part of the service and then they will leave for their own activities - if you are not sure where to go, follow the crowd out to the Middle Hall and someone will direct you to the right group. Crèche facilities for under-3s are available in the back Hall throughout the service. If your children have not been before, please note that you will need to register them. This can be done in the Middle Hall when you take them out.

Tea and coffee will be served in the Middle Hall after the morning service – everyone is welcome to stay for fellowship.

An audio loop system is installed downstairs, for anyone wearing a suitable hearing aid.

An offering will be collected during the service. Visitors, please do not feel obliged to contribute, this is for regular friends and members to give to the ministry and outreach of the church.

The Point is our evening service which starts at 7.00pm and will last around an hour. The Point is a more informally styled service.

If you would like someone to pray with you after either service, this is available in the chapel – look for the sign at the back near the stairs, or look for people with prayer ministry team badges.

Several small groups meet during the week on various days and in various locations. There is a list of all small groups on the notice board in the welcome area, or speak to Andy Banks.

Kitchen Refurbishment

We are pleased to say our building work commences tomorrow! The project is to extend the kitchen into part of the Middle Hall and completely refurbish it, create a bin store, repair the roof above the existing kitchen and replace the fire escape. Plans can be seen on the noticeboard in the Middle Hall.

Please note that the kitchen is now out of bounds until the end of the project in May. Unfortunately we will not be able to provide refreshments after morning services until the project is finished. Oasis will also not be running until the project is finished. Baby and Co plans to still run. The first aid kit that was held in the Middle Hall has been moved to under the fire alarm panel in the hallway (there is another one located at the top of the stairs) and the key cupboard is now in the hallway by the light switches. The fire escape on the Trinity place side of the upstairs hall will be locked and the west side one should be used in an emergency. Please note that there will be builders using the side door entrance during the week. Our project manager is Dave Camp.

Any non-church dishes/containers found in the kitchen can be found on the table in the chapel - if there's something there of yours, take it home today or it will be donated to charity.

Our thanks to Dave Camp and the kitchen committee for all their work on the project so far.
